

Business Requirement

❖ Here I'm looking for the following professionals from India Location

1. Graphics Designer (2 - 3 Years Experience)
2. PHP Developer (2 - 3 Years Experience)
3. Android Developer (2 - 3 Years Experience)
4. Business Development Executive (2 - 3 Years Experience)
5. Sales Executive (2 - 3 Years Experience)
6. Marketing Executive (2 – 3 Years Experience)
7. Project Manager (10 - 12 Years Experience)

❖ Requirement Criteria:

- ✓ Person Age must be above 30. Person has minimum 3 Years of Professional Experience in the above listed designation. Person should be mature enough to understand the client requirement. Person should be able to understand the International Market condition and prepare report on it.
- ✓ Team work will be an important factor in Web and Mobile Applications Project. When Project finished All Team People can get the money according to the Business Scenario as listed on next page. Person must be a Team Player and He should give priority to Work rather than Money.

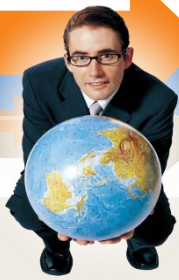

Business Scenario

❖ Business Scenario (Mobile Application Project):

- ✓ We can make team of 7 People. The listed designation on page 1. Suppose We can work on Mobile Application Project (Android). In this Project Team Work will be an important thing. Mobile Application Project Price is Rs. 1600000 (INR), then after finishing the project We can divide that Money into 7 People.
- ✓ Total Price = Rs. 1600000 then Each Person Will get $1600000 / 7 = \text{Rs } 2,28,000$ (INR). Each Person will get Rs. 2,28,000 Per Year for 1 Mobile Application Project.

❖ Business Scenario (Web Application Project):

- ✓ We can make team of 7 People. The listed designation on page 1. Suppose We can work on Web Application Project (PHP, MySQL, MVC, E-Commerce). In this Project Team Work will be an important thing. Web Application Project Price is Rs. 1000000 (INR), then after finishing the project We can divide that Money into 7 People.
- ✓ Total Price = Rs. 1000000 then Each Person Will get $1000000 / 7 = \text{Rs } 1,42,000$ (INR). Each Person will get Rs. 1,42,000 Per Year for 1 Web Application Project.

Total Calculation

- ❖ Total Income Per Year = Mobile App Project + Web App Project = Rs, 2,28,000 + Rs. 1,42,000 = Rs 3,70,000 (INR) Per Year
- ❖ I hope you understand the Business Requirement and Business Scenario for Web & Mobile Application Project.
